

## Moorooka Ward News and Events

Good afternoon

Welcome to my latest e-Newsletter providing a snapshot of the many projects, news and community events taking place across the ward.

Last week my Budget Bulletin July 2023 should have arrived in your letterbox. It contains information regarding projects and improvements made in the last financial year, along with a list of projects earmarked for completion within 2023-24. Please see a copy of the Budget Bulletin below.

Annerley residents are invited to the upcoming Annerley Community Corner with myself and Cr Nicole Johnston on Saturday 12 August from 10am-12 midday at Laneway 86 Café. It's your chance to chat all things local in Annerley.

In other news, I have been contacted by local residents, concerned about the recent increase of odour in Salisbury and Moorooka. The Department of Environment and Science (DES) are conducting odour surveillance and have increased their compliance presence outside normal hours.

If you experience any odour I would encourage you to report this directly to the **DES Pollution Hotline on 1300 130 372**. Please provide the date and time, location, nature of the odour, severity, wind direction etc.

As always if you have any concerns or have an event you would like promoted, please don't hesitate to contact my office via email [moorooka.ward@bcc.qld.gov.au](mailto:moorooka.ward@bcc.qld.gov.au) or phone on 3403 1730.

Regards,

Steve

## Explore Toohey Forest with our new koala walks

I'm excited to announce the launch of our free koala walks in conjunction with the Griffith University EcoCentre. The koala walks provide an opportunity for residents to experience first-hand the abundance of local flora and fauna in Toohey Forest.

The one-hour walks, or EcoTours, were launched on Sunday 18 June at the Griffith University EcoCentre and were all fully booked. Four koalas were sighted along the walks with a range of other wildlife and plant life.

There was overwhelming positive feedback for the new Griffith University 'EcoAmbassadors' who lead the walks. I am happy to have been able to support the training and payment of our new ambassadors by providing funds from the Moorooka Ward Community Fund.

It is remarkable to see healthy koalas in the natural habitat only 7km from the CBD. Even more incredible is the amazing resource we have so close, the Griffith University Eco Centre, that I will continue to work with to deliver these walks.

Due to the fantastic response from local residents, new dates have been released: 13 and 27 August, 10 and 24 September. Book your koala walk [here](#).

**Save the date – Sunday 8 October.**

I am thrilled to announce our **Jazz Blues and Koalas** event at the Griffith University EcoCentre, Sunday 8 October, 11am – 7pm. Enjoy live music, book a

koala walk, meander through the EcoCentre, all while supporting koala conservation. All welcome with free entry. Book your ticket [here](#).

## Parks Update

Koala Park Community Garden:

The new composting bays are now installed at the Koala Park Community Composting Hub. The new hubs are steel framed with separate wooden sides, and removeable panels that will make future repairs easier.

---

## Community Grants currently open

**Lord Mayor's Sustainability Grants:** Providing funding from \$1,000 to \$10,000 for non-profit organisations to undertake actions to support the reduction of energy consumption and greenhouse gas emissions of their facilities. Applications close 14 August 2023.

**Native Wildlife Carer Grants:** Native wildlife carer organisations and registered individuals can apply for grants from \$500 to \$5000 for the rescue and rehabilitation of orphaned, sick, and injured native wildlife originating from within the Brisbane Local Government Area. Applications close 14 August 2023.

**Better Suburbs Grants:** The community support category of the Better Suburbs Grants provides funding to support projects that respond to local community needs, improve community facilities and build organisational capacity. These grants are up to a maximum value of \$10,000 each. Round 1 is now open and closes on 28 August 2023.

---

## WasteSMART Brisbane Awards

WasteSMART Brisbane Awards are back for 2023!

Do you know of any individuals, community groups, schools/kindergartens or businesses going above and beyond to reduce their waste in Brisbane?

These awards recognise the work that so many are doing to help make Brisbane a clean, green and sustainable city.

This year there are 12 awards with a prize pool of more than \$4000 for those that are helping to make Brisbane a clean, green and sustainable city.

Nominate someone now online at <https://www.wastesmartawards.com.au/> by Saturday 2 September. The submission process is simple and takes around five minutes to complete.

---

## Notice of upcoming road and construction works

Road resurfacing works:

- Sherwood Road, from Golf Links Road to Fairfield Road – Rocklea. Works are due to commence Monday 31 July 2023 and finish Thursday 7 September 2023, pending weather and construction conditions. This night time work will be undertaken between 7pm to 5am, Monday–Thursday.

New footpath construction:

- Rockvale St, Coopers Plains. Works are due to commence Monday 14 August and conclude Friday 25 August, between the hours of 7am–5pm, pending weather conditions.

---

## COMMUNITY NEWS

### The Annerley–Stephens History Group

The Annerley–Stephens History Group (ASHG) was established to document the history of their part of Brisbane.

The reason for the name of the group is that they focus on the area of the former Stephens Shire Council (1886–1925), an independent council which was incorporated into Brisbane City Council in 1925.

The shire included the current suburbs of Yeerongpilly, Tennyson, Yeronga, Fairfield, Annerley, Tarragindi, Holland Park West, and those parts of Moorooka, Greenslopes and Mt Gravatt west of Logan Road.

ASHG regularly hosts a local history conference to highlight the research and stories of those people connected to the local area. Their next conference will be held at the Marymac Community Centre, Annerley on **21 October 2023**.

The group also regularly gives community talks on local history, often in the Annerley, Fairfield and Holland Park Libraries.

The major reasons ASHG reaches out to the community is to meet other people who either can share or document their local histories to add to those resources already compiled or who love history generally and want to learn more about their local area.

You can contact or find out more about the Annerley-Stephens History group at <https://annerleystephenshistory.org/>, or by following their Facebook page at Annerley-Stephens History Group Inc.

### BUDGET BULLETIN JULY 2023

## BUDGET BULLETIN

### Explore Toohey Forest with our new koala walks

I'm excited to announce the launch of our free koala walks in conjunction with the Griffith University EcoCentre. The koala walks provide an opportunity for residents to experience first-hand the abundance of local flora and fauna in Toohey Forest.

The one-hour walks, or EcoTours, were launched on Sunday 18 June at the Griffith University EcoCentre and were all fully booked. Four koalas were sighted along the walks with a range of other wildlife and plant life.

There was overwhelming positive feedback for the new Griffith University 'EcoAmbassadors' who lead the walks. I am happy to have been able to support the training and payment of our new ambassadors by providing funds from the Moorooka Ward Community Fund.

It is remarkable to see healthy koalas in their natural habitat only 7km from the CBD. Even more incredible is the amazing resource we have so close, the Griffith University Eco Centre, who I will continue to work with to deliver these walks.

Scan the barcode to book your free koala walk as places are limited and watch out for our next event.

Group walk with Brad Lambert

### Message from Steve

Hello everyone,

Please find inside our 2022-2023 Report Card of works that have been completed.

I am pleased to report a budget win for Rocklea. Council has allocated \$670K for flood mitigation works. This has been an ongoing issue for over five years since Council has not carried out any major works at the Fauna Parade Park. Rocklea residents have been demanding action, making repeated requests to Council to clear out the creek and finally we have been heard. This is great news for Rocklea residents who have fought hard with me and can finally have a little more peace of mind whenever we experience heavy rainfall.

In other news, Council has released the independent review of the Traffic Improvement Plan at the intersection of Homestead St, Beverley Hill St, Fernvale Rd and Tarragindi Rd, Moorooka. Disappointingly, Council has not released the traffic modelling that has been requested by myself and local residents for their review. I'm aware that residents are still very concerned about the design and functionality of this intersection. I want to assure you that the safety of motorists, cyclists and pedestrians is my top priority in this matter.

Another important issue in my Ward relates to the Moorooka War Workers Housing Estate. I'm pleased to advise that we achieved a significant victory and common sense has prevailed. I have worked with residents and Council has agreed to remove heritage protection from 180 homes, subject to the majority of residents agreeing to this.

I will continue to work with residents and businesses to ensure you have a strong and active voice in Council. Please contact me if you have any Council matters you wish to discuss, or say hello at any of the mobile offices I hold at the local community events I attend.

Stay safe and well,

### Save the date – Sunday 8 October

I am thrilled to announce our **Jazz Blues and Koalas** event at the Griffith University EcoCentre, Sunday 8 October, 11am – 7pm. Enjoy live music, book a koala walk, and meander through the EcoCentre all while supporting koala conservation. **All welcome with free entry.**

### Brisbane residents hit with another rates rise

The Lord Mayor handed down his \$4.3 billion 2023-24 budget for the city. Since becoming Lord Mayor rates have risen 17% in just four years.

The table highlights the average rate change over the past four years. Of the twelve suburbs within the Moorooka Ward boundary, only Rocklea has an increase below the 3.45% average. With the remaining 11 suburbs, Tarragindi has risen sharply with the biggest rates rise of 7.59%, closely followed by Nathan at 7.2%, Annerley at 6.61% and Salisbury at 5.94%.

Brisbane deserves more. Billions are being spent on inner-city projects like the Kangaroo Point pedestrian bridge, Breakfast Creek pedestrian bridge, the Adelaide Street tunnel, Kingsford Smith Drive and Victoria Park, while infrastructure and services in the suburbs miss out.

Suburb	2020/21 % Increase (Ave 2.5%)	2021/22 % Increase (Ave 3.75%)	2022/23 % Increase (Ave 4.93%)	2023/24 % Increase (Ave 3.45%)
Acacia Ridge	2.56	3.9	4.9	5.06
Annerley (part)	1.23	4.1	4.66	6.61
Archerfield	3.12	4.7	5.69	4.01
Coopers Plains	1.09	3.0	4.6	3.76
Durack (part)	2.85	4.1	5.38	4.99
Moorooka	2.37	4.4	4.68	4.16
Nathan	2.75	4.0	6.9	7.2
Oxley (part)	2.28	4.1	6.61	5.59
Rocklea	3.11	4.5	5.22	2.66
Salisbury	-0.22	1.7	6.76	5.94
Tarragindi (part)	3.05	4.6	5.27	7.59
Willawong	1.30	1.8	2.4	5.19

# Upcoming free community events

- Koala Research Forum at Griffith Uni EcoCentre – 27 July
- Brisket and Brass at the Clubhouse Moorooka – 30 July
- Moorooka Family Fun Day – 26 August
- Puppy Palooza at the Clubhouse Moorooka – 27 August
- Chrome Street Fiesta – 9 September
- Jazz Blues and Koalas at the Griffith Uni EcoCentre – 8 October
- Annerley Junction Fest – 14 October
- Hallo Weekend at the Clubhouse Moorooka – 28 & 29 October

It was wonderful to see the many local residents who attended Council's recent community street planting event in Acacia Ridge.

In conjunction with National Reconciliation Week, locals observed a meaningful Welcome to Country ceremony in addition to singing, dancing, and a smoking ceremony. Culturally significant trees were planted in C.A. O'Sullivan Park, and locals planted over 700 trees in nearby streets. Residents were also treated to a bush tucker display, demonstration and tasting by Murri Tukka, along with a free native plant to take home.

Well done to the many residents who have now contributed to creating a cleaner, shadier, and greener Brisbane. I would encourage residents to continue to water and nurture these newly planted street trees, particularly in the next 12 months as it gives the plants a better chance of survival.

**Don't forget all Brisbane residents can collect two free native plants each financial year!**

To find out more visit: [brisbane.qld.gov.au](http://brisbane.qld.gov.au) and search Free Native Plants Program.
